LR 374

particular amendment. I think if you have bills like Senator Pirsch's enacted, then you probably don't have much need for the division of the two areas and maybe Senator Chambers' amendment will in fact be something that we should enact into law. At this time I don't know if I'm going to be able to support it, but as the bill stands at this time, with its provisions, with criminals, I cannot support it. Thank you.

SENATOR SCOFIELD: Senator Baack.

SENATOR BAACK: Madam Speaker and members, I move that we adjourn until tomorrow morning at 9:00 a.m.

SENATOR SCOFIELD: Do you have anything to read in, Mr. Clerk?

CLERK: Madam President, I do. Senator Wesely has amendments to 1251 as does Senator Landis; and Senator Wesely to 318; and Senator Goodrich to 870. (See pages 1480 of the Legislative Journal.)

Madam President, new resolution by Senators Vickers, Sieck, Scofield, Pappas asking the Legislature to inquire as to all pertinent aspects of a statewide volunteer task force on aquatic farming. That will be laid over. (Re: LR 374 as appears on pages 1480-81 of the Legislative Journal.)

And a reminder, Madam President, that the Appropriations Committee will be conducting their briefing session at 5:00 p.m. in Room 1019 regarding the budget bills this year, Appropriations at 5:00 p.m. in Room 1019, and Appropriations will be in executive session after that briefing session, Madam President. That is all that I have.

SENATOR SCOFIELD: Thank you, Mr. Clerk. There is a motion to adjourn. All those in favor say aye. Those opposed. We are adjourned.
